A Proclamation Recognizing Ohio Health One

During the celebration of National Health Center Week

On behalf of the people of Ohio's Sixth Congressional District, I am pleased to recognize Ohio Health One during National Health Center Week for its dedication to the health and well being of the Mahoning Valley.

Low cost health clinics, such as Ohio Health One, offer necessary medical services including family health, mental health, diagnostic services, pregnancy and primary health care each and every day. These services provide the community with better quality of life from beginning to end. For this reason, these facilities should be honored and appreciated for their unwavering commitment to the betterment of the community.

Thus, with great pride and gratitude, I congratulate Ohio Health One on the celebration of National Health Center Week, and I extend best wishes for the future.

Signed on this day, the 14th of August, 2015
